Vincero  
Wont you trust me now  
Wont you tell me how  
I can make you believe in life and love and liberty  
Don't you dare, don't you  
Trust my word, baby  
We would be the first  
If you're satisfied  
If you think you've tried  
Try again  
If we do this right  
If we really fight  
Only then  
Ma il mio mistero e chiuso in me  
Il nome mio nessun sapra  
No, no, dilegua, o notte  
Tramontate, stelle  
Tramontate, stelle  
All'alba vincero  
If you hesitate  
If you want to wait  
Don't forget that we promised to be there, now didn't  
we  
Cold and lonely, I

Solved your riddle, I  
Made way for you  
See the break of dawn  
You will be reborn  
Take my hand  
If you come with me  
Let the old things be  
We can fly  
Ma il mio mistero e chiuso in me  
Il nome mio nessun sapra  
No, no, dilegua, o notte  
Tramontate, stelle  
Tramontate, stelle  
All'alba vincero  
Turandot!  
Turandot!  
Turandot!

(Ma il mio mistero e chiuso in me)  
(Il nome mio nessun sapra)  
Dilegua, o notte  
Tramontate, stelle  
Tramontate, stelle  
All'alba vincerò  
Vincerò, vincerò...
