"Try Again"

I've tried, try again
I said there must be an end
So many things I've done, no change
I'll just try again

For how long will this go on?
It all feels so wrong

Must stop, want an end
But it starts all over again
What should I do? I can't help myself
I'll just try again

For how long will this go on?

It all feels so wrong

I've tried, try again
I said there must be an end
What should I do? I can't help myself
I've tried my best

For how long will this go on?
It all feels so wrong

Must stop, want an end
But it starts all over again
