Twinkle, twinkle, little star,
How I wonder what you are!
Up above the world so high,
Like a diamond in the sky!

Repeat:

*Twinkle, twinkle, little star,
How I wonder what you are!*

When the blazing sun is gone,
When he nothing shines upon,
Then you show your little light,
Twinkle, twinkle, all the night.
(*repeat)

Then the traveller in the dark,
Thanks you for your tiny spark,
He could not see which way to go,
If you did not twinkle so.
(*repeat)

In the dark blue sky you keep,
And often through my curtains peep,
For you never shut your eye,
Till the sun is in the sky.
(*repeat)

As your bright and tiny spark,
Lights the traveller in the dark,-
Though I know not what you are,
Twinkle, twinkle, little star.
(*repeat)
