PAUL RODGERS

Oh...yes..
Some say love is
Some say what is love
Some say is love
Really all around
Some say life is
Some say what is life
Some say is life
Really all around me
But I say easy
Easy on my soul
But I say easy
Easy on my soul
Some say love is
Some say what is love
Some say is love
Really all around
I want to tell you my story
I want to tell you I'm sorry
Easy on my soul...
Easy on my soul
Easy on my soul
