help me to repay  
the things i have done wrong  
help me find a way  
to get where i belong

all you can say  
when you're feelin' this way  
is that somebody needs you  
and wants you to stay  
and all you can do  
when your something is threw  
is take all your time  
don't let it get to you-ooh...  
ooh hoo...

(chorus)

there is too many people  
in this-a whole emptiness  
trying to find  
a little happiness-a-hoo...

too many people  
were just hidin' their face  
and i'm-a hidin' my face  
in this lonely lonely place

(chorus)

if you need any help baby  
to maybe open your mind  
just give me a call  
and i'll be right there on time  
just give me a reason  
to stand in your light  
and i will stand in your light  
till the night is right

(chorus 2x)

wanna get where i belong (2x)

ooh...  
oohh...  
ooh...oooooh...
