Sleep now my little baby
Safe inside your mama
You have no name
But soon you will
And soon the sun will shine

Guardian of the Universe
Son of son
Shine a light of peace and love
On this little one
On this little one

Slowly comes the day
You will see, hear, touch and feel
Slowly comes the day
You will know
What kind of world this is

Guardian of the Universe
Son of son
Shine a light of peace and love

On this little one
On this little one

Slowly comes the day
You will see, hear and touch and feel
Slowly comes the day
You will know
The kind of world this is

Guardian of the Universe
Son of son
Shine a light of peace and love
On this little one

Guardian of the Universe
Son of son
Shine a light of peace and love
On this little one
On this little one

Oh, oh, oh
