RODGERS/KIRKE

And by the way before you go
I'd like to say
I love you so
If it's goodbye maybe for good
I will not cry
Maybe I should
And I
I love you so
Oh how this year has slipped away
We she'd no tears
So why today
And all this time has made me feel
Love is no crime
And love is real
And I
Ooh! and I love you so
And I ooh I love you so
Remember me when you're far away
I'll remember you
No matter where I stay
And by the way before you go
I like to say
I love you so
And all this time has made me feel
Love is no crime and love is real
Maybe I should
And I
I ooh I love you
I ooh I love you so
Ooh I love you
I love you
I love you
I love you and I love you baby
More then words can say
I know you can't stay
I love you anyway
Baby I love you
I love you
I love you

I love you
I love you
I love you babe
I got to say
Anyway I love you baby
