Whoo-o-oh wont you come on home?
Come on back to me.
oh Anna, oh Anna.

You like to see your name,
As the credits roll on the movie screen.
Your eyes are cold now,
As your mind prepares for the final scene.
You play the victim,
Of humanity in this hardcore world.
Standing ovations for you,
For the best performance of a dying girl.

You're on your knees now,
And you're asking for just a little bit more.
No self-respect now,
But it's a part of you that you just ignore.
Your eyes they lie to me,
And the lies control the girl that i adore.
My arms are open wide for you,
But you're like someone I've never seen before.

(Anna) Won't you listen to me? I said,
(Anna) Take a hold on your dreams, and tell me,
(Anna) You're living a trias,
It's not your time to go,
You're too young to die.

(Anna) Won't you listen to me? I said,
(Anna) Take a hold on your dreams, and say it,
(Anna) You give my love a try,
Oh we can find our ways,
Oh won't you say goodbye.

Oh won't you say goodbye.

Won't you listen to me?
I wanna help you,
Don't say goodbye.

I try to talk to you,
But you tell me there's nothing more to say.
Now I wanna comfort you,
But you tell me not to worry everything's "ok".
So much is happening,
And you're going so fast I donno what to say.
My heart belong to you,
But you're so far gone,
I got to stay away.
