[Mr. Shadow]

All you money hungry bitches get nothing but dick
Better work somebody else because I aint paying for
shit
You got it twistedâ€¦ hachers plus numbers unlisted
Bitch you aint tracking me down What'chu thinking?
You smoking with the way you think
Just because you got some ass and tits we're suppose
to buy you things? Shit
Trick please I'm way beyond that
When you chill wit a G bring some drink and the chron
sack
Now where my dogs at pimping these hoes?
Got bitches paying us for slipping out of they clothsâ€¦
Anything goes
Young hoes married or not, ya'll love to swallow balls
and ride the cock
They can't stop [nah] they love hoeing around
[Bitches] are like a new drug going around
It's all gravy [gravy] girl you can't blame me [hell nah]
You need to pay me bitch you need to pay me

[Hook: repeat 2X]

Gold Diggas
No Doubt
We got dick and bubble gum for yo mouth
Gold Diggas
What a shame
Take a fifth of your soul then we piss on your name

[Mr. Lil One]

Gold digging bitches always out to grab the lout
Grab my twenty-five pull at they mind and then I shoot
Execute they pride cause they all black inside
Just like my nigga young said fuck all the non-sense
Bitch best to kick rocks before I get my licks off
Talking about you wanna fuck suck my fucking dick off
Drunk ass bitch good for nothing ass trick
Calling me at two in the morning when you're lit
Talking boutâ€¦ bitch I'ma sleep
Playing with your pussy trying to deal with all the heat

Feel the moist in your ass feel the moist in your clique
The reason you loving the Lil, cause the Lil don't be
giving a shit
Now your man got a problem every time my name
comes up
He beat me upâ€¦ I give that movie thumbs up
Give that man a Grammy for that role that he plays
I love it when she calls me daddy, Every time she lays

[Hook]

Open wideâ€¦ you already know what your good for
Spread the wordâ€¦ tell your girls who you hoe for

[Mr. Lil One]

Bitch why you fronting like you fresh and you're clean
You be knowing what I mean when you unzip the jeans
Bitch your polluted what the fuck you trying to kill me?
Talking about baby bring it on you wanna feel me?
I deal with the truth and the proof is your ass
