Good girls are shy,
good girls wear just what mama said,
good girls they don't go out at night.

You can find her in the classroom at the school
where she is reading in her book who-oh
but you can see behind her class that she is lost
in innocy of secret dreams who-oh

I wanna be with her after school
the girl is on my mind, but i know the rule
I was a gentleman, but the time was wrong
because instead of a "yes" she just sing this song

Good girls are shy,
good girls wear just what mama said,
good girls they don't go out at night
who-oh

Good girls are shy,
they never use four-letter words
good girls are always dressed in white

who-oh-oo-oh
who-oh-oh
who-oh-oo-oh

Sunday morning you can find her in the church
she has a bible in her hand who-oh
but you can see, that in her mind there is a dream
of how she really wants to be who-oh

dressed in white so pure and divine
she's the girl I want, yes she's gotta be mine
so I asked the girl if she'd come along
but instead of a yes she just sang this song

Good girls are shy,
good girls wear just what mama said,
good girls they don't go out at night
who-oh
Good girls are shy,

they never use four-letter words
good girls are always dressed in white

who-oh-oo-oh
who-oh-oh
who-oh-oo-oh
(good girls, good girls)

I try for hours, I try for days
No matter what I did she wouldn't give me the place
So I went to the club hoping
I would find a wham-bang-thank-you-mam
Just to ease my mind
I looked over dance floor and what did I see
That good little girl making eyes at me
In a tight black dress, her mum was gone
cause I remember the time she just sing this song

Good girls are shy,
good girls wear just what mama said,
good girls they don't go out at night
who-oh
Good girls are shy,
they never use four-letter words
good girls are always dressed in white

Good girls are shy,
good girls wear just what mama said,
good girls they don't go out at night
who-oh
Good girls are shy,
they never use four-letter words
good girls are always dressed in white

who-oh-oo-oh
who-oh-oh
who-oh-oo-oh
(good girls, good girls)

Good girls are shy x4
