Watch my hand

Writing this last letter

Watch my hand

Knowing I won't forget her

No I won't forget her

Take my things

Every thing is over

All my things

Leave behind my love

Leave behind my love

La la la

La la la

La la la

Now lighting a cigarette

Now knowing I will regret

The way our love had to end

In her room

Standing alone

All alone

Soon I will be gone

Soon I will

Soon I will

Soon I will be gone

Soon I will

Soon I will

Soon I will be gone
