MMMMMM, Well, we started in the cornfield
and I know we did not slack.
We got everything in order
but, we forgot to bring the bucket back.
The old man, he went crazy , yeah, yeah
and ran around the field,
said, we must be lazy,
as to be seem to be the least ,yeah
seem to be the least, yeah.

Chorus

But it was a long way
from this high road
it was so far away from here.

The farmer had a daughter
and she worked at the wishing well
but one day, in the water
she found the mission bell.
The old man, he went crazy, yeah
and ran to get his gun, uh-huh.
We had a bad time explaining,
we were just having drunken fun,
just having drunken fun.

Chorus

But, it was a long way from this high road
it was far away from here, uh-huh.
So we walk along this road,
just telling stories as we go-yeah,
we just walk along, having fun.

Instrumental

The farmer had a daughter
and she did not speak a word.
We used to kiss her in the orchard
until one morning we were overheard.
The old man, he went crazy -owww,
running around the field,
said we must be crazy

as to be seem to be the least,
seem to be,
but, we're just walking along-uh-huh.
