FRASER/RODGERS

Carry me away

I know your angel eyes

can see through me

carry me away

far away from the love you give

so generously, so generously.

Woman oh! Oh!

I've got a burning heart

I need to tell you

that it's you I love

I got a burning heart

I need to tell you that

I never get enough

never, never, never

never get enough.

Woman oh! Oh!

Marry me today

I'll give you all I own

except my car

marry me today baby

I'll give you everything
but my guitar
but my guitar and my car
Woman oh! Oh!
Let me hold your tongue
for I know you'll understand
the way I feel,
Baby I know you'll understand
that all I want to do
is take your hand
I don't mean to do no harm Baby
I just want to be your man
Oh! I just want to be your man Baby
hey I want to be, I want to be,
hey, woman I'll be your man
Woman, I'll be your man
