It's raining again the cats are sad
Your presence looms in an empty room
Now you fly may you find your dream
Brother to the Sea
It is what it is
You are who you are
If you don't find it here
You won't find it anywhere
In all that life gives you
You carry it with you
Brother to the Sea
Silver wing eagles of spring
The hero steps up to the footlights and sings
Play those wood notes wild
Cause this rainbows got a smile
Brother to the Sea
The pollen path goes round and round
You are where you belong
My kingdom for a song ...
For a song
It is what it is
You are who are you are
If you don't find it here
You won't find it anywhere
In all that life gives you
You carry it with you
Brother to the Sea
Brother to the Sea
Brother to the Sea
