Planting seeds
Yes I believe
The earth is sweet
The planets wink
It's shimmering
Colouring dreams
Heed the message
In the wind
Spirit of Love
It's in the plan
For every woman child and man
Sharp and swift
A precious gift
Harvest lips
It's infinite
Spirit of Love
Spirit of Love
Spirit of Love
Radiant and bright
children of the light
It is shining
It was never dying
The Spirit of Love
It's in the plan
For every woman child and man
Sharp and swift
A precious gift
Harvest lips
It's infinite
Spirit of Love
Spirit of Love
Spirit of Love
Oh my darling what is this
A magical one has come to nest
Undying and limitless
Spirit of
Spirit of
Spirit of Love
