Come empty me
'Til I am clean
Remove the hurt
That no one sees
So come in power
I need You now
Reverse the curse
I'm breaking out
[x2]

I know that You make all things new
So turn my heart inside out
My life is Yours, You have it all
So take my past, today I live for You
Make all things new, make all things new

No longer blind
But now I see
No longer bound
But now I'm free
So come in power
I need You now
Reverse the curse
I'm breaking out

I know that You make all things new
So turn my heart inside out
My life is Yours, You have it all
So take my past, today I live for You
Make all things new, make all things new

If any man be in Christ
He is a new creation
Old things are passed away
Behold all things are new today
Can anybody testify
That you're waving goodbye to your past, yeah

Yesterday's gone (gone), gone (gone), gone (gone)
I'm moving on (on), on (on), on (on)
[x2]

Yesterday's gone
I'm movin' on
I know that You make all things new, yeah
[x3]

Yesterday's gone
I'm movin' on
I know that You make all things new,
Make all things new, make all things new, yeah

Yesterday's gone
I'm movin' on
I know that You make all things new
[x4]

Make all things new, make all things new, yeah

So turn my heart inside out
My life is Yours, You have it all
So take my past, today I live for You
Make all things new, make all things new

Make all things new, make all things new
