With one voice  
We cry out  
A chosen generation  
Lift up a shout  
Let it echo  
The lost will be found  
You're the One who saves us  
Our anthem is loud  
Let it echo

You are good  
You are love  
Next to You there is no other  
Jesus, Jesus

You are, You are, You are the hope of the world  
And I will praise  
You are, You are, You are the hope of the world  
I will shout it out

With one voice  
We cry out  
A chosen generation  
Lift up a shout  
Let it echo  
The lost will be found  
You're the One who saves us  
Our anthem is loud  
Let it echo

You are good  
You are love  
Next to You there is no other  
Jesus, Jesus

You are, You are, You are the hope of the world  
And I will praise  
You are, You are, You are the hope of the world  
And I will shout it out  
[x2]

Jesus, You are  
Jesus, You are the hope of my world  
[x4]

Your name echoes through the ages  
Your praise goes on and on and on and on  
Your grace saves a generation  
Your fame goes on and on and on and on  
[x3]

On and on and on and on

You are, You are, You are the hope of the world  
And I will praise  
You are, You are, You are the hope of the world  
And I will shout it out

You are, You are, You are the hope of the world  
And I will praise  
You are, You are, You are the hope of the world  
And I will, let it echo
