Show me what will last
This world will break like glass
Pain may last a day
Your Kingdom will remain

Empires rise and fall
Your Kingdom will stand
So I will place my hope
In Your steady hand
Your Kingdom will stand

Famine and war
Will rush like a storm
Hate may last a day
Your Kingdom will remain

Empires rise and fall
Your Kingdom will stand
So I will place my hope
In Your steady hand
Your Kingdom will stand
Your Kingdom will stand
Your Kingdom will stand

It won't break my heart to see it all go
No, I still have hope, oh, I still have hope
It won't break my heart to see it all go
No, I will lose this world and gain my soul
[x2]

Oh, whoa, oh [x4]

Through the pressing trials
We will not deny
Patiently we'll wait
Your Kingdom will remain
Your Kingdom will remain
Forever and ever

Oh, whoa, oh...

It won't break my heart to see it all go
No, I still have hope, oh, I still have hope
It won't break my heart to see it all go
No, I will lose this world and gain my soul
[x2]

Oh, whoa, oh...
