oh she's went crazy. she's went and lost her mind.
she's maxed out all her credit cards. on drugs and
smokes and wine. some people think she's lost. some
people think she's fine. some people never took the
time. to get to know the girl. f r e e. oh she's went crazy.

some people never took the time. to get to know her
mind. f r e e. when you get older. there's a change of
plans. it gets easier to make a fist. and harder to hold
hands. she crashed... like a herd of elephants. f r e e.
