### "By All Means Necessary"

Visit "[By All Means Necessary](#)" on MotoLyrics.com

By All Means Necessary is the second album from hip hop group Boogie Down Productions, released in 1988, on Jive Records. After the murder of DJ/Producer Scott La Rock in 1987, MC KRS-One moved away from the violence that dominated their debut Criminal Minded and began to write socially conscious songs, while using the moniker "The Teacher".
