Keep it Coming]

[Featuring Daniel Joseph Prod.by : Tru Mentillz]

[Verse 1: Daniel Joseph]

Truey this shit is bananas

yeeeee check 1-2 uhhh what yea

yeeeeeeo im from the block where most don't stop
here a lot

07105 live kiddies you know the usual timber boys in
hoodies

big boys make ya mouth shake reach and snatch the
goodies

oh goodie look what the lord gave ya

only told'em that those greenbacks will save him [cha-
ching]

yeeea I grew a few blocks, from the block of the block

from the block they call the 'cain spot

play ya cards right son son

shoot words nuts watch the kid bust one

we know them lumpy gwop holders too

fly bullies hats only match the shoes

shine like the sun don't sleep

hit the mic try to say the son don't shine brrrrriight

[yeeeeeee]

Houston got a problem again bummy lungs

Body boy prolly body the friends

[Chorus:]

Phace: we stay fresh we stay live all night

Daniel: we got that hoodie rock bang it on the block

Phace : We stay real we stay tight all right

Daniel : we make that illy noise put ya money up x's2

[Verse 2: Phace]

Shut ya mouth when the beast is in town

Turn niggaz to pizza when the beats are played loud

Im tryna do this big like the feet of a clown

Im crazy as hell so im a danger to the crowd

I always aim high so I can shit on the clouds

Hit like an atomic missile and destroy your hometown

I throw down four five digg'em (6) and roll out

I keep it grizzle, you, you'll just get rolled out

Im serious 'bout my hip-hop what chu bout?

You can't even spray paint never mind pop lock

All you know is that both BIG and PAC got shot

(o.d.b.)O.D., O.D.'d (overdosed) and Jay and Nas Had It
lock'd

you always knew about the underground but it's not hot

You crazy as hell and you don't even rock (word)

This is meant for real dudes who put in that work

Who know what it's worth and how to put their words

[Chorus:]

Phace: we stay fresh we stay live all night

Daniel: we got that hoodie rock bang it on the block

Phace : We stay real we stay tight all right

Daniel : we make that illy noise put ya money up x's2
