is this it? is it the end of the road. i'm all washed up. i'm
way to skinny. i'm all flesh and bones. i'm nearly bald
not even thirty. i couldn't give a damn. but you know. it
just the way you look. that really makes a man. i'm a
million little pieces. i'm a jigsaw waiting to be solved.
you could put me back together. but you could never
figure me out. i lost my grip. i let her slip. i never could
hold on. i've cheated twenty times. my god. she's only
twenty one. i've made mistakes. its not the first. and it
won't be the last. let's keep this quiet. keep hush hush.
that shits all in the past. i'm a million little pieces. i'm a
jigsaw waiting to be solved. you could put me back
together. but you could never figure me out
