So you wanna tell or do you wanna lay there and oh
could you just say it to me, say it to me, could you just
tell me anything

Are you gonna stay there oh baby say it to me did you
ever think that we could be at a place where

You ask me

"do you still love me?"

I ask you

"does the sea ever dry?"

We go on answering questions with questions and lies

So just say that you hate me and that i'm all you never
want

Are we backless? useless ? -- we want the things we
never give - we'll stick to the script in this holy dark
song where you

You ask me

"do you still love me?"

I ask you

"does the sea ever dry?"

We go on answering questions with questions and lies

So you ask me are you happy, i think 'oh i've tried'

You ask me, are you happy, i say 'are there stars in the
sky?'

Do you really want to believe this lie

Do you really want to believe this lie

I really want to believe this lie

Believe this lie, where

You ask me

"do you still love me?"

I ask you

"does the sea ever dry?"

We go on answering questions with questions and lies

Do you really want to believe this lie

Do you really want to believe this lie

I really want to believe this lie

Believe this lie

Believe this lie.
