Well, I know it's the solitude
Fillin' me up with you
My love

And I know that it's not my style
But here we have a while
My love

'Cause you find in the morning
The time it takes in the morning
Has happened before

And I know what a fake looks like
I saw him come out tonight
And that's hard, so hard

Well, I can't let go
That's all I know
Well, I can't let go
That's all I know

What I found in the perfect sun
I came to know everyone
I love

I've been thinkin' 'bout how it's blessed
And givin' me happiness
From above

And the time in the morning
The time you take for the morning
Has happened before

And now I know what a fake looks like
I saw him come out tonight
And that's hard

Well, I can't let go
That's all I know
Well, I can't let go
That's all I know

Well, I can't let go
That's all I know
And, I can't let go
That's all I know

And, I can't let go
That's all I know
And, I can't let go
That's all I know
