Light love  
Don't everybody want that love?  
And it's hard sometimes  
'Cause everybody's uptight, love  
Well, you'll find that out

Hey, level mind  
Don't even matter what they say  
When they talkin' all about  
You gonna do it either way

Well, hey, we're comin' up  
Hey, we're gonna need a little light love  
(Yeah, tonight, love)

Well, hey, we're getting close  
Time to make a fire with your light, love  
(Yeah, tonight, love)

Hey, pretty eyes  
Whoa, oh, keep your light on  
Hey, happy times  
Whoa, oh, keep your light on

You can go where you wanna go  
People talk but they don't know  
Oh, you could do what you wanna do  
And what they say, don't listen to

Whoa, oh, oh, whoa, oh  
Whoa, oh, oh, whoa, oh  
Whoa, oh, oh, whoa, oh  
Whoa, oh, oh, whoa, oh

Hey, pretty eyes  
Whoa, oh, keep your light on  
And, hey, happy times  
Whoa, oh, keep your light on

Hey, pretty eyes  
Whoa, oh, keep your light on  
Hey, happy times

Whoa, oh, keep your light on

You could go where you wanna go  
And people talk but they don't know  
Oh, you could do what you wanna do  
And what they say, don't listen to

Oh, you could go where you wanna go  
People talk but they don't know  
Oh, you could do what you wanna do  
And what they say, don't listen to
