Where do we go from here?  
Where is our home, what's our destiny?  
When do we learn to see ?  
When do we learn to understand ?

Give me a reason to believe  
Is this a tale I should believe?  
This is a tale of mystery  
Is this the tale I should believe?

Dimensions, dimensions  
Castaway eternally  
Dimensions, dimensions  
Hear the call and follow us to Heaven

What do we find out there?  
Is it heaven, is it hell?  
Where will our journey end?  
Beyond the gates of space and time?

Is this a story made of dreams?  
Is this a tale I should believe?  
Is this all real or fantasy?  
Is this a tale I should believe?

Dimensions, dimensions  
Castaway eternally  
Dimensions, dimensions  
Hear the call and follow us to Heaven

Dimensions, dimensions  
Castaway eternally  
Dimensions, dimensions  
Fear the call, don't follow us  
'Cause Heaven is hell
