The eternal flame
The eternal flame

On the road to victory
Is it real or fantasy?
(The call of fame)
It's for all the world to see
I go down in history

A flame for our freedom
Enlightens the sky
The sign of the rings never dies

The eternal flame
Come to the hall of fame
The eternal flame
Strong as the call of fame
The eternal flame

On this stairs up to the sky
I smell the wine of paradise
(The call of fame)
It's the prize for all my tears
For all the pain and all my fears

A flame for our freedom
Enlightens the sky
The sign of the rings never dies

The eternal flame
Come to the hall of fame
The eternal flame
Strong as the call of fame
The eternal flame

Flame of destiny, sign of liberty
Forever, forever shine
Forever, forever
Oh, forever, forever shine

The eternal flame
Come to the hall of fame

The eternal flame
Strong as the call of fame
The eternal flame
