Somewhere in the desert land  
The valley of the graves  
All you have to find there is  
The gate within the cave

Gardens of your darkest fears  
A place of no return  
Bound to face your destiny  
Fires of hope still burn

Arise, God, can't You hear my cry?  
I'm alive, calling Your mighty name  
Save me from sadness

Fly to the heart of the rainbow  
I'm searching the eyes of the world  
Deep in the land of the shadows  
Awaiting the end of the game

Whispers in the moonlight  
I can hear their shadows crawl  
Rising up from down below  
The ghosts of Phantakor

Creatures of the underworld  
They try to catch my soul  
And try to seal my fate forever

Fly to the heart of the rainbow  
I'm searching the eyes of the world  
Deep in the land of the shadows  
Awaiting the end of the game

Lord of the darkness is trying to poison my mind  
Believe in your heart and you will see, it's not the place  
to die  
Don't hesitate, no time to wait, the days are passing by

Arise, God, can't You hear my cry?  
I'm alive, calling Your mighty name  
Reaching for glory

Fly to the heart of the rainbow  
I'm searching the eyes of the world  
Deep in the land of the shadows  
Awaiting the end of the game
