Remember the times  
We were young and wild  
All the beautiful times  
And the blue blue skies

Now the years have gone by  
And we realized  
Creation is divine  
We're the last to die

Holy Father, can You hear us?  
Is it the end of global freedom?  
All the children, now and ever  
Will they ever have a future?  
What if we try to open the eyes  
For a better world tomorrow?

One world for all the nations  
One chance for God's creation  
One sky for all the children  
One light for hope and freedom

A lost paradise  
Under darkened skies  
You can see in my eyes  
All the tears I cry, I cry

Holy Father, can You hear us?  
Is it the end of global freedom?  
All the children, now and ever  
Will they ever have a future?  
What if we try to open the eyes  
For a better world tomorrow?

One world for all the nations  
One chance for God's creation  
One sky for all the children  
One light for hope and freedom

Arise from deep damnation  
Survive discrimination  
Alive a big sensation

We are the hero nation

One world for all the nations  
One chance for God's creation  
One sky for all the children  
One light for hope and freedom

Arise from deep damnation  
Survive discrimination  
Alive a big sensation  
We are the hero nation
