A gleaming fascination, burning deep inside
When it comes into my mind
The crown's my destination, a doubtful paradise
Oh, they forced my sacrifice

Holiest one, the crown is divine
I am designed to obey and to smile

Kings and queens
Eagles without wings
Dancing in the limelight
The dance of fools begins

Kings and queens
Saints and sins
Fairy tales and stories
In rainbow magazines

I'm a shining incarnation of the royal kind
Always in the public eye
Chained in isolation 'til the day I die
Oh, I sacrificed my life

Holiest one, the crown is divine
I am designed to obey and to smile

Kings and queens
Eagles without wings
Dancing in the limelight
The dance of fools begins

Kings and queens
Saints and sins
Fairy tales and stories
In rainbow magazines

Master, master, royal buster
Chaos king and trouble queen
Master, master married a monster
Wrangles with his destiny
Faster, faster into disaster
God save the Queen

Kings and queens
Eagles without wings
Dancing in the limelight
The dance of fools begins

Kings and queens
Saints and sins
Fairy tales and stories
In rainbow magazines
