Tears Of Babylon

A stairway to the gods in heaven - out in the dust
Babylon, Babylon
ooohhh
A sign of hope for our redemption - forever lost

Babylon, Babylon
ooohhh

1000 dreamers, trust in the prophecies
Born in their fantasies

Babylon, Babylon
1000 nights in my world of dreams
1000 years in my memories

Outlawed by the revelations - calling you a shame
Babylon, Babylon
ooohhh
Accused of lust and fornication - you're the one to
blame

Babylon, Babylon
ooohhh

1000 dreamers, trust in the prophecies
Bring back their paradise

Babylon, Babylon
1000 nights in my world of dreams
1000 years in my memories

Babylon, Babylon
1000 nights in my world of dreams
1000 years in my memories

Babylon!
