One, two, three

On the way out I'm thinkin'
You get what you take anyway
On the way out you're watchin'
Wonder if I am gonna pay

No I'm just lookin' round
Thanks a lot
I gotta be goin' now
Will I get caught

On the way out I'm smilin'
Look nice, you might be photographed
On the way out you're thinkin'
Looks like he never put it back

Just kinda walk around
Check it out
Take two, put one down
Don't think ya saw it

Back home, another day
What'd ya get
Who needs that anyway
Know what I'm sayin'

On the way out I'm thinkin'
You get what you take anyway
On the way out you're watchin'
Wonder if I am gonna pay

No I'm just lookin' round
Thanks a lot
I gotta be goin' now
Will I get caught

On the way out, on the way out
On the way out, on the way out
On the way out, on the way out
On the way out, on the way out
