Lovers cry

One last kiss by the edge

They're hand in hand

Two lovers stop their hearts

Better than to be apart

They had run from a father to the highest bridge

Holding together as they jumped in

Lovers lie

On the hill where they once laid

Side by side

Two lovers stop their hearts

Better than to be apart

She was rich, he was common

But she wouldn't say no

Lying together on the rocks below

They had run from a father to the highest bridge

Holding together as they jumped in

Lovers cry

One last kiss by the edge

They're hand in hand

Two lovers stop their hearts

Better than to be apart

Lovers cry

Lovers cry

Lovers cry

Lovers cry
