You may know me as a letter outta BCD
Just an itty bitty girl
You think who's so prepsy
Like the cover of a book you never chose to read
I'm not just loud there's more to me
So may I be the one to introduce to you
Freezebone, Mostart
Say hello to my crew
We got beats and bass and lots of brains
There's nothing you can do to stop the freewave!

I've got all my yomies by my side
And we rise!

Did you say you want it?
So come on and get it
We got more games going
Then you've ever got
When we come together
You better run for cover
We got more games going
So what if you're ready or not?

(So what if you're ready or not, so what if you're ready
or not)

Ah ah ah ah ah ah ah

Caught your mama
Tell if there's drama
I bet you wanna know that we're coming like come on!
We got rooms and bags for days
There's nothing you can do to stop the freewave
When you see me turn up your TV
Then your gonna know in nobody like BB
Everytime we're giving you up with our sonic
Who's gonna break the name of Freefonix?

I got all my yomies by my side
And we rise!

Did you say you want it?

So come on and get it
We got more games going
Then you've ever got
When we come together
You better run for cover
We got more games going
So what if you're ready or not?

Ah ah ah ah ah ah ah

We're free to play
And free to jam
Right here today you're gonna know who I am
So make your move
Give it over today
Cause once we roll
You wont be rocking again... again

(Uh huh uh huh)
(Come on, come on)
So come on
(Uh huh uh huh)
So come on
(Come on, come on)
So come on
(Uh huh uh huh)
So come on (fades)
