I got my beat in song and im ready to go
I got that top gear rocking from my head to my toe
Slow down!
I'm stopping traffic with my microphone
I'm walking

(Ta da ta da ta da ta da ta da)

We're gonna head downtown, ain't no time to relax
I got a rendezvous and a table at Jack's
Wait up, now watcha dishing, speed up, im on a
mission
Walking

(Ta da ta da ta da ta da ta da)

Go where alive
Gotta taste for this life
Never think twice
'Cause my heart knows whats right

Livin' it lovin' it so
(Livin' it lovin' it oh)
That's how you never get on
(Livin' it lovin' it oh)
Why you keep diggin' a hole
(Livin' it lovin' it oh)
Let's go baby let's go c'mon, let's go baby let's go
c'mon

I got a bag full of bones better step on the scene
I got a mouth full of trouble if you know what I mean
My beat is full of moves like a dancing machine
I'm dancing

(Ta da ta da ta da ta da ta da)

You heard the sky movin' Jack's and me like
I'm breaking down feelin' low like err mainly DD
So what! I'm feelin' naaghty
Let's do the la-di-da-di
Speaking!

(Ta da ta da ta da ta da ta da)

Workin' this up in the ground
Com' 'n' lead back into town
Better start dancin' in the streets
Don't forget we're just kids that are tryna meet
We're great like 12 to 12 not 95
Just stayin' alive but oh well
Suit yourself and look out the window
Watch the freakbone and check the bobo
I'll start dancing right on the streets
And I'll make it boom
Watch me zoom
I'll catch BB from joom to joom
Yeah
Pushin' this shovin' this so
Livin' it lovin' it oh
Pushin this shoving this so
Livin' it lovin' it oh

I got a bag full of bones better step on the scene
I got a mouth full of trouble if you know what I mean
My beat is full of moves like a dancing machine
