Home, home, there's no place like home  
Home, home, there's no place like home

(Oh no you won't)

I see them out on the roam,  
Scopin' my home  
They're all in my zone

(Oh no you won't)

You're tryin' to break up the O  
You're hatin' on Mo  
You're gangin' on Mo

(Oh no you won't)

Now that's a compliment  
When you come for me  
You, me and 3  
I'm stayin' resident

I'm pro-bionic  
I represent the Freefonix  
Open up my mind you'll find you  
Shinin' like an Onyx

Woo-oo  
When we gonna bring up our love  
And start rising above it all baby?  
Woo-oo  
When we gonna bring up our love again? (Love again)  
Woo-oo-oo  
All I wanna do is enough for you,  
Love is enough for me baby  
Woo-oo-oo  
Now it's turnin' it up again

Home, home, there's no place like home  
Home, home, there's no place like home

Now the O don't really need nobody zoning  
Get gone and  
Trying to wreck up what we ownin'  
Leave us alone or get hit with a body rock  
Baby boy can't get the tones  
??

(Oh no you won't)

I got the water rock  
Bringin' thunder  
Want a sound like a future shock

(Oh no you won't)

Cos I said so  
When they ring the bell it's all over don't you know

Woo-oo  
When we gonna bring up our love  
And start rising above it all baby?  
Woo-oo  
When we gonna bring up our love again? (Love again)  
Woo-oo  
All I wanna do is enough for you,  
Love is enough for me baby  
Woo-oo  
Now it's turnin' it up again

You can say what you say  
Tell me face to face  
Freewave sound coming breakneck pace  
3 against 1 is a big disgrace  
But you're never gonna take my home

Word is you're bad and ugly (ugly)  
Draw your mics cos till you can't see me (see me)  
Freezebone, Mostart and BB  
But you're never gonna take us home

There's no place like home  
There's no place like home  
There's no place like home  
There's no place like home
