Ooh yea

Check this

I'm trying to get back on top
But if I go kaboom
Then I go kaboom
Oh yea baby

I'm up for it
I like it a lot
But if it's not in tune
Then it's not in tune

Oh yes it's
Sweet lips, talkin' flowers
Keeping me content for hours
While all the while
I should just shake it, shake it off

Take it to town (?)
push the bunches that rot (?)
because I won't go soon
You know I won't go soon

(One, two, three, four)
Why don't you give it to me?
Why don't you give it to me?
Well obviously
Why don't you give it to me?
Why don't you give it to me?
When it's so glad to see-ee-ee-ee-ee

Woo woo woo
Woo woo woo

Downtown when I was rockin' the spot
Well they could to cut it cool
Yes to cut it cool

The people spoke and I was getting on top

And then the crowd went boo
Yes the crowd went boo

Up, down, roller-coaster
Stranger than a speaking toaster
It's been a pleasure but I'm dying to get out
The kind of world that lets your worries away
I'm on a mission list at the end of the day

Why don't you give it to me?
Why don't you give it to me?
Well obviously
Why don't you give it to me?
Why don't you give it to me?
Well obviously
Why don't you give it to me?
Why don't you give it to me?
When it's so glad to see-ee-ee-ee-ee

Woo woo woo
Woo woo woo

I don't care
Don't need no remedy
I like this feeling
And I like this energy
Woo woo woo

(One, two, three, four)
Why don't you give it to me?
Why don't you give it to me?
Well obviously
Why don't you give it to me?
Why don't you give it to me?
Well obviously
Why don't you give it to me?
Why don't you give it to me?
When it's so glad to see-ee-ee-ee-ee
