Call me Mr. Freezebone
Welcome to my free zone
I'mma get my ease on
Feng shui, ying yang

Look around man, it's nice
I got smoothies on ice
Check it out make sure the
Tempuraturae is right, ahh.

Fallin' back into the big O, my black hole
Wait, I'm lost and regainin' my sight
O, the second letter in the word 'love'
The first sound my mind makes when I rise above

But they made the definition of the feng shui
Come over here Mostart, then the kid tronic
BB, the beebster, can preach the Freefonix
The life circle, come inside no one can hurt you.

O, at the O, at the O, O, O
Relaxin' at the top of the O
(Kick back)
At the O
(Relax)
At the O, O, O
Relaxing at the top of the O, of the O
At the O, O, O
Relaxing at the top of the O
(Kick back)
At the O
(Relax)
At the O, O, O
Relaxing at the top of the O

Lounge at the big O,
BB came to safe haven from the Comoco,
Ahh, we're good to go

Don't let them take another million dollar view, four of
you

Ocean waves hands cool.
Breeze like a fan

I kick back and relax my feet
Watch the sunset on the whole LB
I kick back and relax my feet
Watch the sunset on the whole LB

Misty, it's just you and me
We're documenting our history
Misty, it's just you and me
We're documenting our history

At the O, O, O
Relaxing at the top of the O
(Kick back)
At the O
(Relax)
At the O, O, O
Relaxing at the top of the O, of the O
At the O, O, O
Relaxing at the top of the O
(Kick back)
At the O
(Relax)
At the O, O, O
Relaxing at the top of the O

Come on, you know what time it is
It's Mr. Freezbone time!
Ha, ha, yeah

I'm just relaxing, chillaxing
I'm 'laxing at the top of the O

At the top of the O
At the top of the O

Yeah, come on

I'm just relaxing, 'laxing, chillaxing
At the top of the O
I'm just relaxing, 'laxing, chillaxing
At the top of the O

At the top of the O, of the O
At the O, O, O
Relaxing at the top of the O
(Kick back)
At the O
(Relax)

At the O, O, O
Relaxing at the top of the O, of the O
At the O, O, O
Relaxing at the top of the O
