We are the souls  
Yeah to save rock and roll  
'Cause we're taking control  
Back away from ya Comaco!  
We break all the rules  
'Cause we're cool as ICE  
We play, music that we lurv and dance in the night  
All the kids on the street, they wanna be like us  
Prepsies hate us 'cause we're wix and they are jealous  
of us  
We got 'em comin' to our shows in Los Bosmos  
And Mya Dezires eyes  
Just tryna steal our stuff  
If you wanna be cool,  
Be a freewaver  
Calling out to all bets,  
Hey rock is for freewavers!  
You wanna join our team?  
And help save the world?  
Yeah B is for boys and G is for girls

We rule the playground  
Freefonix!  
Jump up, jump up and turn around  
Freefonix!  
C'mon now turn that music loud  
Freefonix!  
'Cause we're gona blow your speakers out  
Freefonix!

Freefonix! oh, oh, oh!  
Freefonix!  
Freefonix! free, free, free  
Freefonix!

They wanna battle with us  
They always lose soundclashes  
Wanna go head to head to head,  
With the sonic warriors!

Calling out to prodigies or prepsy wannabes  
We're riding in the streets (as a 3, as a 3)

Freefonix! oh, oh, oh (we're the souls... we are the souls)

Gimme an N-I-X  
What have we got?

Freefonix! oh, oh, oh  
Freefonix!  
Freefonix! free, free, free  
Freefonix!  
Freefonix! oh oh oh  
Freefonix!  
Freefonix! free, free, free  
Freefonix!

Are we gonna be beaten?  
Whoa no way!  
Did we come here to show them?  
Yeah
