I gotta heart full of evil, soul full of rock'n'roll
i gotta heart full of evil, soul full of rock'n'roll
ah but my heart isn't evil and my soul isn't rock'n'roll

i gotta pistol in my pocket, it's gonna shoot it's load
i gotta pistol in my pocket, it's gonna shoot it's load
you gotta help me with my pistol before my pistol
explodes

i gotta get on home

i spent a night with a blow up girl and some lsd
i spent a night with a blow up girl and some lsd
well the girl didn't blow up but she made it on the mtv
i gotta meeting with my maker, my maker says it's
judgement day
i gotta meeting with my maker, my maker says it's
judgement day
well the meeting with my maker i'm sure gonna have
my say

i gotta get on home
i gotta get on home
get on home (get on home)
i gotta get on home (get on home)
get on home (get on home)
i gotta get on home (get on home)
home home
get on home home
gotta get on home
get on home
get on home
