I know I'm not a bad guy but I try to do what's right  
Everyone who comes to me do not understand or see  
my plight  
Everything I've ever done  
All the plans I had in sight  
Always missed and gone wrong in a way  
Until I gave up and said alright let me alone  
'cause no one wants to be hanging around with  
someone messin up like me  
I guess my way isn't good enough  
When I try I just keep on wrecking stuff  
It seems everybody knows but me  
How to go what to do and where to be  
Everywhere I go they all talk the same  
They don't even ave to try  
They make me feel so lame  
Friends and jobs have come and gone  
No matter what I do it goes on and on  
I wonder if you sometimes feel this way  
And do you lay awake at the end of the day?  
When I lose everytime I win 'cause  
No one will ever be  
Messin up stuff and doing things wrong  
Quite like me  
No one will ever be like me
