Midnight and the sound of rain
Sarah's on her way again
I see her smile
And close her eyes
She's shuttin out the world outside

3rd Avenue rumbles on around her
So unaffected by the chaos that surrounds her
Writing words to the music in her head
It's a perfect song
Moving her along
Through a broken world that changes every day
But inside Sarah's head everything's okay

Sarah Saturday, you radiate
And nothing in this world is wrong
Sarah Saturday, like a perfect song
Makes me wanna sing along

Burning down a world of lies
With just one glance of those clear blue eyes
Holding on to the truth with some quiet strength inside
She gives me hope for better times
Thank you Sarah for showing me that I can free my
mind
And rise above these troubled times

Writing words to the music in my head
It's a perfect song
Moving me along
Through a broken world that's changing every day
You make me feel that everything's okay

Sarah Saturday, you radiate
And nothing in this world is wrong
Sarah Saturday, like a perfect song
Makes me wanna sing along

Writing words to the music in her head
It's a perfect song
Moving me along

Sarah Saturday, you radiate
And nothing in this world is wrong
Sarah Saturday, like a perfect song
Makes me wanna sing along

Sarah Saturday (whoa o-o-o-oh)
Makes me wanna sing along [x2]

SING ALONG!!!
SING ALONG!!!
