I've met some people along the way
Some of them split some of them stay
Some of them walk, some walk on by
From all of these people I try to learn
I've got a few friends I'll love till I die
Some of them shine, some of them burn
Some of them rise, some of them fall
For good or bad I've known them all
We live our life in our own way

Never really listened to what they say
The kind of faith that doesn't fade away
We are the true believers

Ahhhhhhh
Ahhhhh
Ahhhhhhhh

We are the true believers

Well you can fight or you can run
Hide under a rock till the war is won
Play it safe and don't make a sound
But not us we won't back down
We live our life in our own way
True believers all the way
You and I
Never really listened to what they say

The kind of faith that doesn't fade away
We are the true believers

Ahhhhhhh
Ahhhhh
Ahhhhhh

We are the true believers
Trus We live our life in our own way
Never really listened to what they say
Ahhhhh
We are the true believers

The kind of faith that doesn't fade away

Ahhhhhhh

Ahhhhhhh

We are the true believers

True believers
