Da club so packed but I

She right there but it's like she's cross da world
Im tryin 2 approach her why she dancing on da vip sofa

(Freekey Zekey Verse)

Ur man got the debs
on how mami lives
man she da shit
word up
she got her own crib with her own bricks
she know how to whip
she got a funny rhyme with a nice hook
she know how to spit
she got a big gun with a big clip
she know to hit
wanna lick her toes wanna lick her chest
wanna lick for lips
muah, gotta give her kiss
cuz I know dat she taste good like
Donalds french fries
she taste like Donalds french fries
but its hard to get to her
like she took both the wings
off the V & the flyin spur
I can see her plain as day
cuz the light off the chain
make her light like she on the stage
I gotta get to her
but I can neva reach her

Who da hell is dis girl

said to myself she aint seen the hard top yet
I aint come with no chauffeur
its jus me in the roadster
& I said lil mama can I get at you
then she said that she dont do rappers
I replied that I can be a chiropractor
better yet I could a contractor

tried to get the numba but then she disappeared in the
