Right now if i was a fortune teller
i could see beyond the stars
the cards would have a picture
with your face on it.

I see signs,
everything leads to you
i'm walking in your direction
im feelin' this new sensation.
Yea'

You, taste like hunger,
you, feel like urgency
you make me wonder,
you sound so good to me.

So if im in love,
if i'm alive
make me a believer
before i leave here tonight,
make me a believer.

Ouh uh uah ah ah
i'm a believer
(2x)

now i, oh i yeah
(2x)

Over time,
its not a trust selection
we exist to love
but love is not perfection,
still we try.

You, taste like hunger,
you feel like urgency
you make me wonder,
you sound so good to me.

So if im in love,
if i'm alive

make me a believer
before i leave here tonight,
make me a believer.

Ouh uh uah ah ah
im a believer
(2x)

Now i, oh i yeah
(2x)

So if im in love,
if i'm alive
make me a believer
before i leave you here tonight,
make me a believer.

Ouh uh uah ah ah
im a believer
(2x)
