Intro:

La la la la la
La la la la la
La la la la la la
La la yeah yeah
La la la la la (2x)
Yeah, yeah

I think I finally found
The one that I've been looking for
I knew that it was you
As soon as you walked through that door

No, I didn't know what to say
With just one smile you brightened up my day
And now all I really want to do today is

Chorus:

I wanna get close to you (I wanna get close)
Cause I couldn't take my eyes off you
(Can we get close)
Ooh baby, I'm blinded by you
(Everyone knows)
Everyone knows, and it shows
I wanna get close...

La la la la la (2x)
Yeah, yeah

I still remember when
You smiled at me and said hello
Oh, I can't forget the day we met
What you did for me you never know

No, I didn't know what to do
All I did was dream of holding you
And now, baby all I want
To say to you is

Chorus

I wanna get close to you
(I wanna get close)

Coz I couldn't take my eyes off you
(We're gonna get close)
Ooh baby, I'm blinded by you
(Everyone knows)
Everyone knows, and it shows
I wanna get close

I wanna get close to you
(I wanna get close)
I couldn't take my eyes off you
(We're gonna get close)
Ooh baby, it's a dream come true
(Everyone knows)
Everyone knows, and it shows
I wanna get close

Ooh, ooh, what a feeling
Coz Can't describe
It touched me deep
Inside, yeah
Ooh, ooh, what a feeling
I know you feel it too
Coz it's for me and you ohh ohh
(Intro) 2x ->->->-> fade out
