"these city streets got a nigga packin heat for bustaz
no time to reli on these bitches cause theres riches to
make
some niggaz is fake but we separate them from the
real
and still maintain the squirill that fills my pocket wit
green
idamean soldier to solrier marchin stay of dosja holdin
the strap
how im supposed to puttin cowards deep under the dirt
like a flower get deboured
when my weapon shower from los angles south central
49th and
sampedro cant nobody yell louder
