I was alone not long ago
without a love to call my own.
I was afraid and thought
it wasn't meant for me.
I didn't need anybody else
that was what I would tell myself.
And I believed that that was how it would be.

I used to think that I was fine.
Oh, that I was doing ok.
I didn't know that I was blind.
I just went on along my way.
I didn't know what I was missing
'til I felt you tender lips
kissing my fears away.
I'm so glad you're here today.

I never had somebody I could lean on.
I never had a shoulder I could cry on
'til I found you babe -
'til I found you.
And I never had somebody I would think about.
I Never had someone I couldn't do without
'til I found you babe -
'til I found you.

I had been badly hurt before.
Eversince then, I would ignore
any chance for love -
I thought it was a lie.
I learned to realy on myself
and I thought that I was doin' well
until you came with something
I just can't deny.

I used to think that I was fine oh,
I was doing alright.
I would go on and do my thing
everyday and every night.
I didn't know what I was missin'
'til i felt your tender love
fillin' me up inside.

I love you with all my might.

(And i never knew how good a love could feel
'til I found you babe, wooh.
And I never thought a love could be so real
'til I found you.)
