I don't know what it is that you've done to me
But it's caused me to act in such a crazy way
Whatever it is that you do
When you do what you're doing
It's a feelin' that I don't understand

Refrain:

'Cause my heart starts beating triple time
With thoughts of lovin' you on my mind
I can't figure out just what to do
When the only cure is you

Chorus:

I get so weak on the knees
I can hardly speak I lose all control
And something takes over me
In a day you look so amazing
It's not a phase
I want you to stay with me by my side
I swallow my pride
Your love is so sweet
It knocks me right off from my feet
I can't explain why your lovin' makes me weak

Time after time after time I tried to fight it
Your love is strong it keeps on holding on
Resistance is down when you're around me baby
In my condition I don't want to be alone

Repeat Refrain:

Repeat Chorus:

Bridge:

I've tried hard to fight it
No way can I deny it
Your love's so sweet
Knocks me off my feet

Repeat Chorus:

I get so weak
Blood starts raising through my veins
I get so weak
Boy it's somethin' I can't explain
I get so weak
Somethin' 'bout the way you do the things you do
