"Rainy Day In London"

Spending my time thinking of you
I just can't seem to get it through.
Everything's o.k. when you're around me
Way
Way down deep inside

Givin' way to feelings that surround me.
Hey
I saw you standin' there
Hopin' that you'd look my way.
A glance
A twinkle in your eye
Memories of that rainy day in London town

The way I feel I can't explain
The feeling's going on inside me about you.
Never thought I'd feel this way
Day to day it just kept slipping by me.
Hey
I saw you standin' there
Hopin' that you'd look my way. . . .
In London town
In London town
In London town.
